FOOD WASTE DISPOSERS BY KINDRED FOR KITCHEN CLEANUP & CONVENIENCE

A food **WASTE DISPOSER** simplifies cleanup after a meal, and decreases the amount of trash you take to the curb – less mess all the way around! Kindred **WASTE DISPOSERS** feature quality stainless steel grinding components and Torque Master for balanced and quiet grinding, EZ mount installation, in-home service warranties, and Bio-Shield antimicrobial treatment to inhibit odors. Kindred **WASTE DISPOSER** offering includes batch and continuous feed models from 1/3 to 1 ¼ H.P., with optional air switches for continuous feed models.

KINDRED. KITCHEN SINKS AND MORE.
