Brookmore Collection 34.5-in x 18.2-in Undermount Double Bowl Stainless Steel Kitchen Sink. The Brookmore stainless steel sink collection will create something truly unique that fits both prepping and cleaning needs. Made with high-quality 18-gauge stainless steel with a rich chromium content that helps shield the material from corrosion and prevents bacterial growth. The undermount sink style provides a sleek, modern look and makes cleaning up spills and messes easy. The spacious 9" deep bowls are perfect for soaking and washing stacks of dishes, and the sound-dampening system goes to work to reduce the noise caused by a garbage disposal or running water.
